Lord, we really want to have love for one another as you say that we should love your neighbors as you love yourselves. Please Lord, we call upon your Holy Spirit to come and guide us so that we can give our lives for others. Because of your constant love and mercy for us, we were saved. We pray that we get in love with our enemies so that we can correct their mistakes by advising them on what to do. We all find protection under the shadow of your wings, Lord. <p><i>Mighty Father, I come to you today praying for fruitfulness. I pray, Lord, that all communities in Uganda will have good seasons and also good harvests. May we have plenty to eat because we serve a God of plenty. Bless us in season and out of season. I pray for good rains for all the plants. We pray for our Farm to Feed program that it will flourish and expand. We thank you for all the food that comes from the harvest. We also pray that our gardens will not be attacked by any pests in Jesus' name. May our lands be blessed. Amen.</i></p>
